

## Group Offers

### Guided Tour of Heidi's House and Museum

As a guest at Heidi Village, your curiosity will run wild, and you will begin to question "who was Johanna Spyri and how did this unique Heidi story come about?" "How did people live around 1880 and how did they experience everyday life?" Together, with the premises of the winter house you will discover where Heidi lived, through an enriching experience. After a short walk on the mountainside, you will learn more about the Alp lifestyle and finally relax in Heidi's wonderful hay bed.

Guided tours are offered in: German, English, French, Italian, Japanese, Spanish and other languages.

max. Group size 15

### Making cheese in the Mountain

In the mountain hut, you'll come across the exotic smell of fine smoke rising from the finely cut wood burning away, under a large saucer filled with the finest milk. This milk begins to boil, under the watchful eye of a cheese maker, who will show you, how the traditional production of cheese took place during Heidi's grandfather's time. You, will have the enriching opportunity to make cheeses, and take them home at the end!

Guided tour is offered in: German, English

#### PRICES

Package 370 CHF  
Material per person 20.90 CHF  
incl. Entrance to the Heidivillage

#### Information

Duration approx. 2h  
max. Group size 20

### Heidi's Herbs

Get carried away into the world of medicinal herbs, which were used during Heidi's times. On a walk through rich meadows, abundant with flowers, you will discover the wild herbs that live on our doorstep, they will also learn more about their benefits and then stir their own healing or cosmetic ointment. You will then have the opportunity to individually move through the fragrant herb garden.

Guided tour is offered in: German, English

#### PRICES

Package 260 CHF  
Material per person 17.90 CHF  
incl. Entrance to the Heidivillage

#### Information

Duration approx. 2h
